

Need A Break?

**Caregiving is a full time job.
It's okay to take some time for yourself.
We can help.**

Lutheran Crossings Enhanced Living at Moorestown offers **Respite Care** for those who need to take a break from the demands of caring for a loved one. We offer short-term assisted living and nursing care at our sophisticated and friendly residential senior care community. Our socially engaging environment offers peace of mind, so you can recharge.

Whether your loved one requires some assistance with daily activities or 24-hour nursing care in a secured memory care unit, our caring staff of nursing professionals will pick up where you left off.

Respite care provides:

- Three nutritious meals daily
- Supervision of any necessary medications
- Assistance with personal care
- Emergency call system with on-site nurse response
- Housekeeping and laundry services
- Daily activities offered
- Worship services offered
